

## Alphacool Eisblock GPU I/O Shield RTX 3090 Founders Edition

Alphacool article number: 13065

### Quick Info

The Alphacool Eisblock GPU I/O Shield is compatible with Geforce RTX 3090/3090TI Founders Edition graphics cards. If you use the Alphacool Dualslot I/O Shield instead of the original I/O Shield included with the GPU (Tripleslot), you give the graphics card a much thinner design. This allows the card to be installed in compact cases.

- Enables GPU placement even in compact cases
