Alphacool Core AM5 Performance Kit

Alphacool article number: 13843

Quick Info

The Alphacool Core AM5 Performance Kit optimizes the position of the CPU cooling block on the AM5 socket. As the chiplets in AM5 processors are not centered, the Core Performance Kit ensures that the cooling fins of the CPU cooler are perfectly positioned over the hottest areas of the CPU. This ensures more efficient cooling. The Core Performance Kit is a must-have for anyone who wants to get maximum performance from their AM5 system.

- Optimizes the position of the CPU cooling block on AM5
