

## Alphacool Core Push Mounting 17mm M3/M4/UNC 6-32 Set 4x

Alphacool article number: 15724

### Quick Info

The Core Push Mounting Kit offers an easy and secure way to mount the Alphacool Distro Plate to a radiator or in a PC case. The metal pins are screwed to the Distro Plate and the matching sockets are attached to the radiator or PC case. The next mounting step is to plug the Distro Plate onto the pins without the need for tools. The Alphacool Core Push Mounting System enables a tight and stable fit of the Distro Plate.

- Simple and quick mounting
- Stable and secure
- Mounting on radiator or in PC case
