

## Alphacool HF quick release connector kit G1/4 - black

Alphacool article number: 17396

Alphacool's new quick-release coupling sets have been newly developed for safety reasons. For this reason, these couplings do not have a "click" mechanism but are screwed on with a type of union nut. This means that the couplings can no longer be accidentally unlocked.

- G1/4" female connectors
- Made of durable nylon

### Compatibility

G1/4" female connectors

### Scope of delivery

Alphacool HF quick release coupling set TPV - Eisbaer compatible - Black

## Technical data

Abmessungen (L x D)	95 x 27 mm
Pressure tested	8 bar
Max working temperature	60°C
Material	Nylon
Threads	2 x 12,7 / 7,6 mm Hose
Color	black
Flow rate reduction (%)	-1,52

## Download links

Product pictures	<a href="#">17396_Alphacool_HF_quick_release_connector_kit__G1-4_-_black_pics.zip</a>
EU-DoC / CE / RoHS	<a href="#">Alphacool_EuDoc_CE_RoHS_17396.pdf</a>

## Packaging dimensions per unit

L x W x H	88 x 35 x 30 mm
Weight	35 g

## Other data

Certificates	CE, FC, RoHS
EAN	4250197173964
Customs code	39174000990

## Article text

Alphacool's new quick-release coupling sets have been newly developed for safety reasons. For this reason, these couplings do not have a "click" mechanism but are screwed on with a type of union nut. This means that the couplings can no longer be accidentally unlocked.

By installing these couplings, the flow is only slightly or not at all affected. When unlocked, both sides of the coupling seal completely.

There is a 1/4" thread on both sides.
