------------------	--

## Packaging dimensions per unit

L x W x H	63 x 63 x 30 mm
Weight	43 g

## Other data

Certificates	CE, FC, RoHS
EAN	4250197176019
Customs code	74198090990

## Article text

The Alphacool Eiszapfen 16mm off set fitting rotatable G1/4 OT to G1/4 IT is an offset piece with one female thread and one male thread that can be easily integrated into any water circuit.

### Integration made easy

The offset piece is very compact and can be integrated into any water circuit thanks to its G1/4" female and male threads. It is simply screwed to the corresponding G1/4" connections at any position in the water circuit.

### Design

The threads are 5mm deep and high respectively, allowing for the very compact design. Thus, the L-connector can be installed very space-saving in the system.
