

Alphacool HF compression Fitting TPV Metall - 12,7/7,6mm Straight - Black

Alphacool article number: 17638

Quick Info

The Alphacool TPV metal fitting originates from Alphacool's Enterprise Solutions product line. It was specifically designed for use with Alphacool TPV hoses.

- Metal fitting
- Space-saving
- Strong tensile strength

Scope of delivery

1x HF compression Fitting TPV Metall - 12,7/7,6mm Straight - Black

Technical data

Dimensions (L x D)	24 x 18mm
Material	brass/aluminium
Thread	G1/4"
Thread length	5,5mm
Hose size	12,7/7,6mm
Color	black

------------------	--

Packaging dimensions per unit

L x W x H	100 x 85 x 25 mm
Weight	18 g

Other data

Certificates	CE, FC, RoHS
EAN	4250197176385
Customs code	74198090990
Guarantee	5 years

Article text

The Alphacool TPV metal fitting originates from Alphacool's Enterprise Solutions product line. It was specifically designed for use with Alphacool TPV hoses.

Enterprise Solutions fitting?

Until now Alphacool used these TPV water cooling fittings for servers and workstations exclusively. In combination with the appropriate TPV hose, the metal fitting can be tightened particularly firmly, resulting in remarkable tensile strength. During the development, special attention was paid to the usage of space-saving components. Compared to the nylon variant, the Alphacool TPV metal fitting is even shorter by whole 4mm.
