

Alphacool Apex AM5 Contact Frame

Alphacool article number: 5100065

Quick Info

The Alphacool Apex Contact Frame AM5 was specifically developed for AMD processors using the AM5 socket. It provides reliable sealing of the exposed capacitors around the processor while also helping to distribute the mounting pressure evenly.

- Reliably seals the exposed capacitors
- Ensures even mounting pressure
- Compatible with all Alphacool CPU coolers

Compatibility

AMD AM5 Sockets

Scope of delivery

1x Alphacool Apex AM5 Contact Frame
4x 6 -32 UNC x 0.25in Screw

Technical data

Material	Aluminum alloy (AlMg1SiCu)
Material Screw	Stainless steel (X10CrNi18-8)

Manual	5100065_Alphacool_Apex_AM5_Contact_Frame_Manual.pdf
Product pictures	5100065_Alphacool_Apex_AM5_Contact_Frame_pics.zip
EU-DoC / CE / RoHS	Alphacool_EuDoc_CE_RoHS_5100065.pdf

Packaging dimensions per unit

L x W x H	155 x 121 x 18 mm
Weight	50 g

Other data

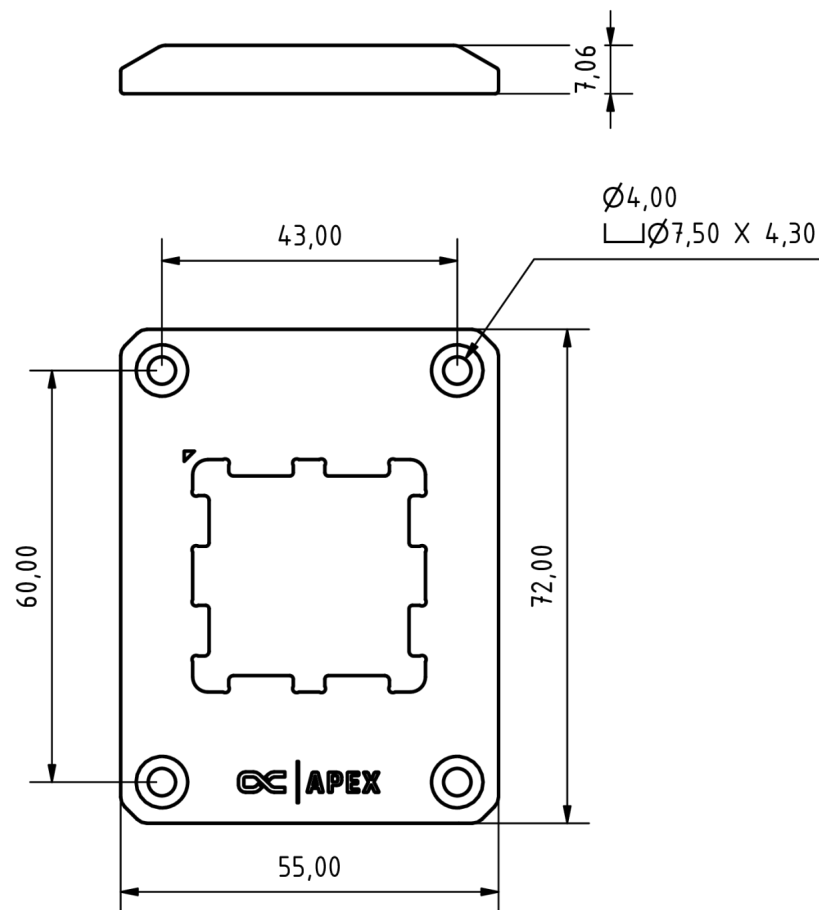

Certificates	CE, FC, RoHS
EAN	4070201000655
Customs code	84733080000

Article text

The Alphacool Apex Contact Frame AM5 was specifically developed for AMD processors using the AM5 socket. It provides reliable sealing of the exposed capacitors around the processor while also helping to distribute the mounting pressure evenly.

The even mounting pressure ensures optimal contact between the CPU cooler and the processor. This creates the ideal foundation for reliable heat transfer between the CPU and the cooler, supporting efficient system cooling.

The Contact Frame can be easily integrated into existing AM5 systems and is compatible with all Alphacool CPU coolers that support the AM5 socket. This makes it an ideal functional addition for high-performance gaming PCs, workstations, and custom-built water-cooling systems.

General tolerance: $\pm 0,25\text{mm}$
Dimension in millimeter
