For mounting, place RAM modules in upright position.

Für die Montage, die RAM-Module aufrechtstellen.

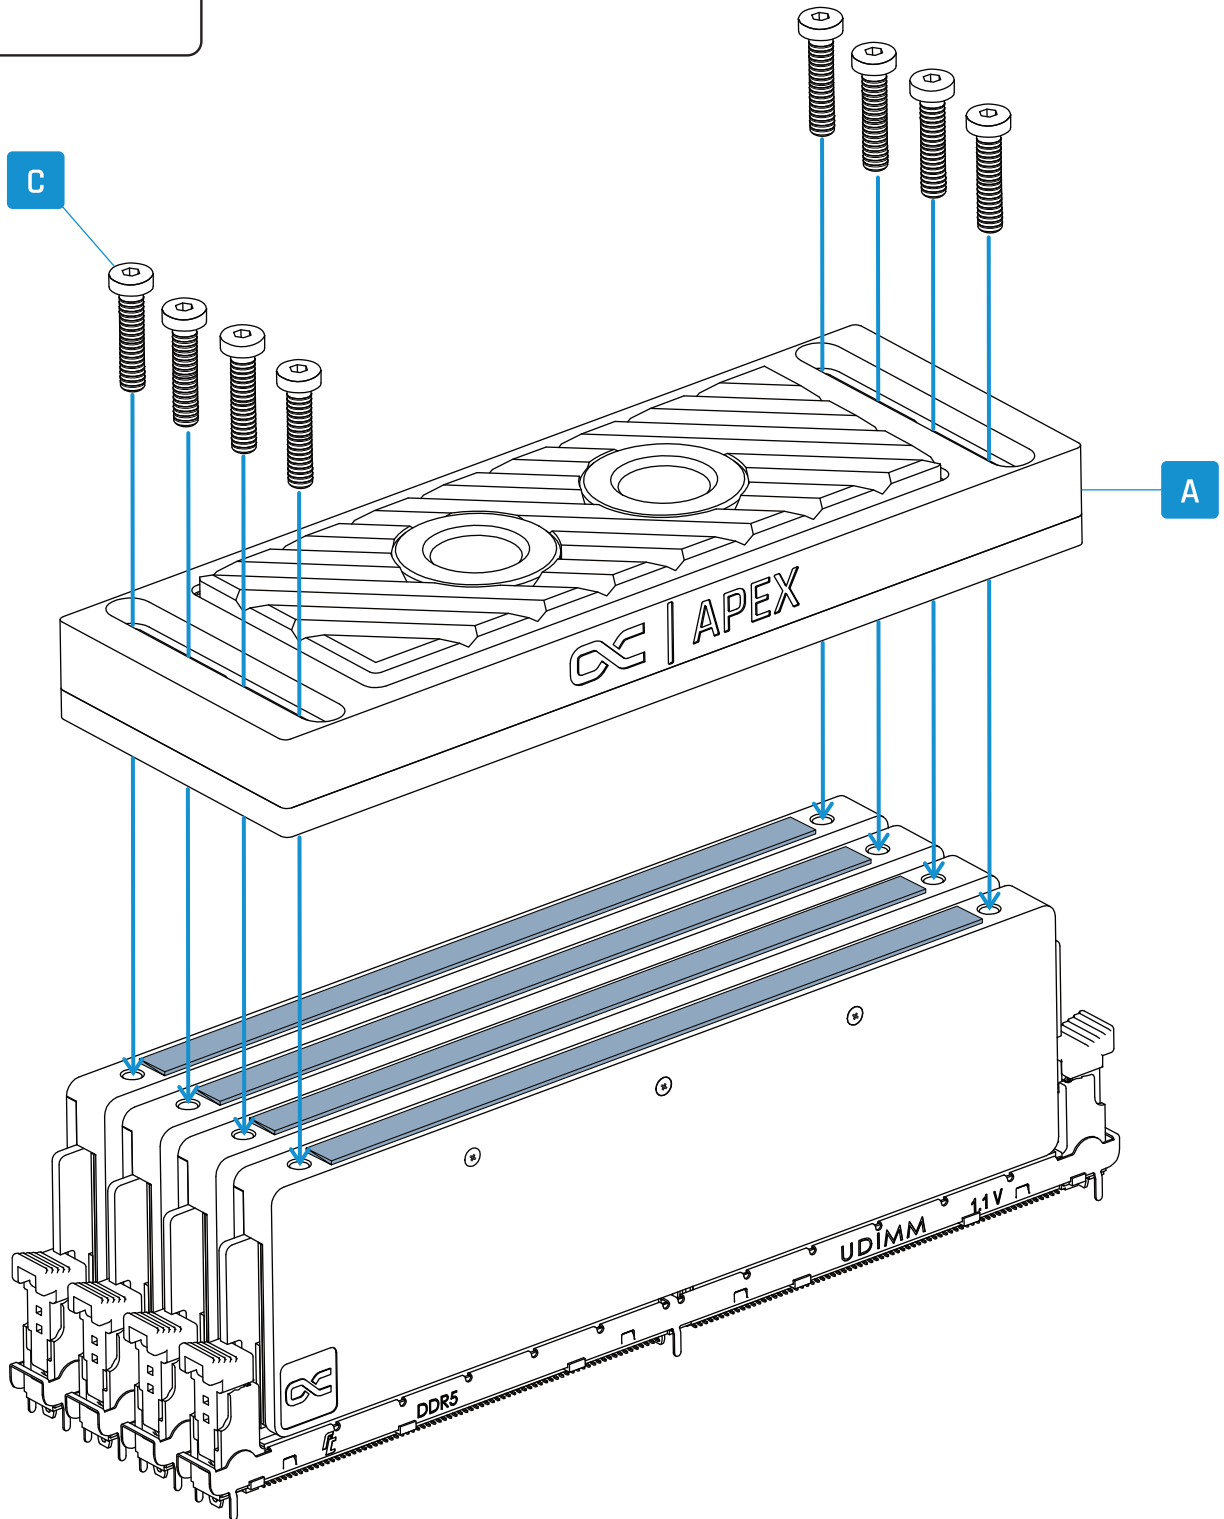

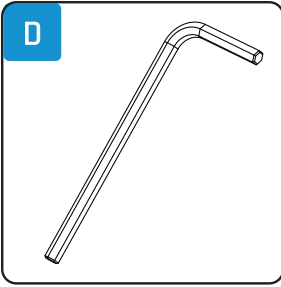

Pour le montage, mettre les modules RAM en position verticale.

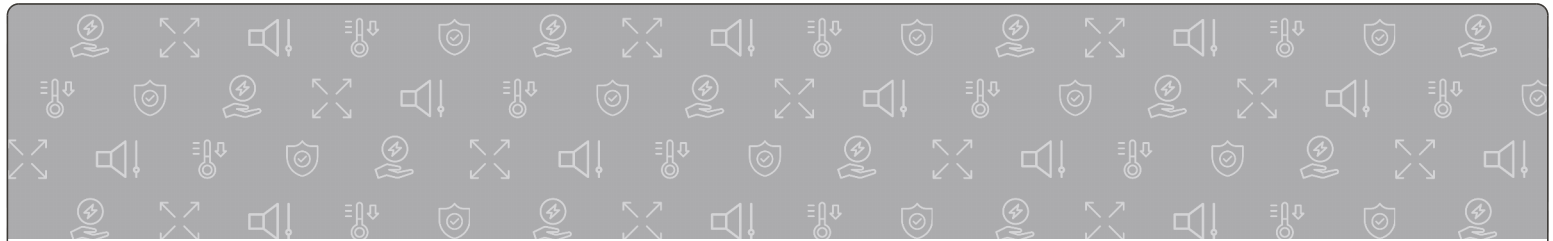

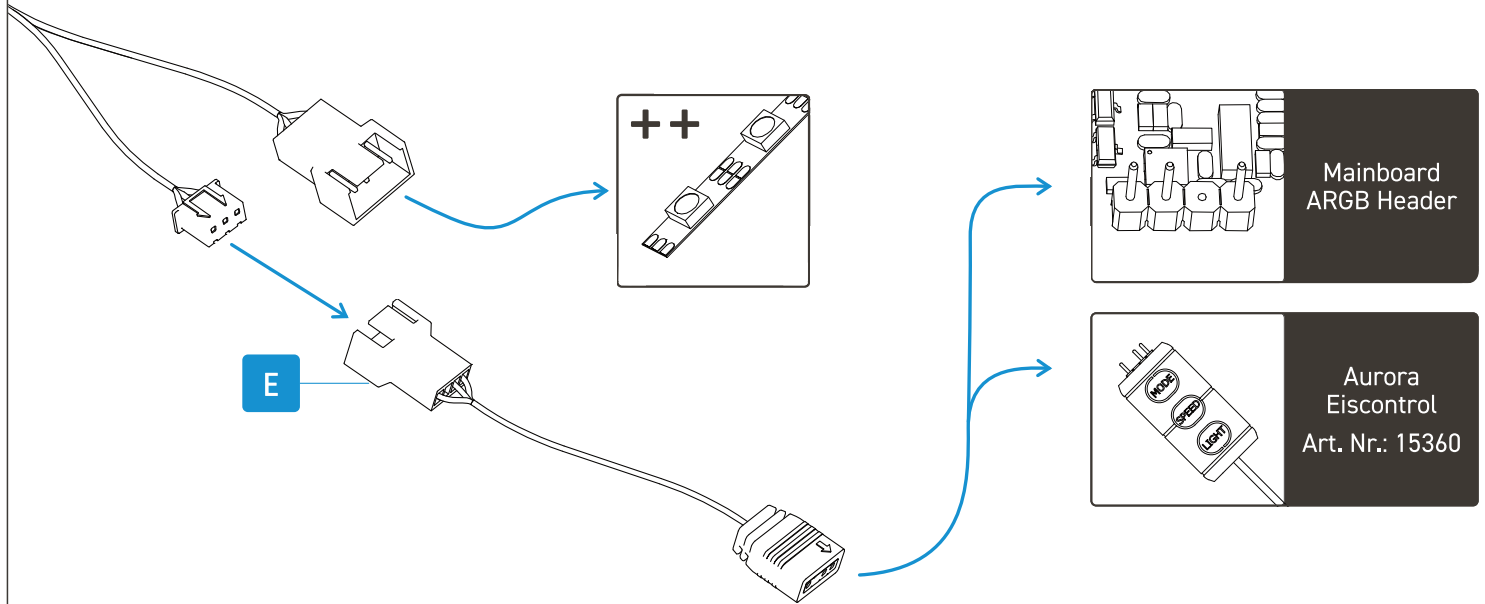

Place the thermal pads with a little distance to the mounting holes, to keep them free on both sides.

Platzieren Sie die Pads mit ein wenig Abstand zu den Montagelöchern, damit diese auf beiden Seiten freibleiben.

Placez les pads thermique à une certaine distance des trous de montage pour qu'ils restent libres des deux côtés .
